Changes in Access Numbers and Dial in Services

To all Associates and Counterparties

Please be advised that the company providing IP and Telephony services to Cathedral Investment Bank / CIB Americas Bank Inc. ("The Bank") is being switched to a better more cost efficient supplier in the United Kingdom.

All Public DID's and Access Numbers may be intermittent or non-responsive starting on Monday January the 20th 2020. If you are a Cathedral Investment Bank / CIB Americas Bank Inc. ("The Bank") Counterpart you should have received by now your temporary access numbers that will function until this transition is complete.

All other contact channels will remain open. Shall you require any support during this period you can reach out to us at it.support@cathedralbank.com or directly with your contact within.
